Classic Relaxation This massage employs connected gliding strokes to help relieve tension and soothe aching muscles—a full-body experience with a little extra attention to tension areas.

Deep Tissue A more intense experience, this massage focuses on problem areas with slow deep pressure to work specific muscle groups. This massage is used to help eliminate scar tissue or relieve chronic tension. Massage may include heat or ice if needed.

Sports Whether you're a competitive athlete or weekend warrior, recover faster from workouts and soothe distressed muscles with this restorative session. Focus on an area of injury or simply work to increase range of motion and flexibility.

Pregnancy Unwind with a relaxing therapeutic session focused on minimizing stress for mommy-to-be. Special pillows and bolstering create a comfortable and safe space, allowing mom to feel supported and calm. Only non-toxic, paraben-free products are used by our certified therapists. {60 or 90 minutes}

Craniosacral Therapy A gentle hands-on technique that provides the opportunity for the body to unwind and heal itself. This therapy enhances the function of the central nervous system and encourages the body to release restrictive patterns and return to an easier mode of functioning. Sessions are performed fully clothed while lying on a massage table.

Traditional Hawaiian Lomi Lomi Massage

Lomi Lomi is Hawaiian for rub rub. This style of massage incorporates ritualistic Hawaiian culture with the connection between heart, hand, and soul with the source of life. The massage utilizes large, broad movements; via two-handed, forearm, and elbow application of strokes. The free flowing strokes improve circulation and immune response, increased range of motion and flexibility, improved posture, faster healing, slower heart rate and lower blood pressure.

Spa Body Treatments
